DR. W. O. THOMPSON

Few college presidents live as close to the hearts of the students with whom they come in contact as does President W. O. Thompson. For more than 40 years he has been actively identified with education, and for about 35 of those years he has been a college president, 25 of them here at Ohio State.

VIC DONAHEY
GOVERNOR

May the Best Team Win.
But May the Best Team be Ohio State.
More Power to the Searlet and Gray.

Welcome, Chicago! Howdy, Dads!

Today's annual contest between the football elevens representing Ohio State and Chicago is notable for a number of other reasons aside from its importance with respect to the Big Ten percentage table. Football in its larger aspects is something more than the efforts of two teams to cross each other's goal line. Rightly proportioned and wisely developed it enables two institutions of learning to meet on common ground as they can in no other way.

Friendly, generous rivalries thus developed mature and grow richer with the years. Although Ohio State and Chicago have been competing in football only since 1920, the relationship is already among the finest that Ohio cherishes. This condition is due to a number of factors—to the close games of the last four years, to the fine sportsmanship manifest on each of those four earlier occasions and to the genial, wholesome influence of Director Stagg himself.

Ohio State teams in other fields, too, have experienced this same fine sportsmanship manifested when they have met Chicago. In baseball, in track, in basketball, and in wrestling as well as in football the competition has been on a high plain. It is more than a friendly gesture, therefore, when Ohio hangs out its latchstring for Chicago.

Today is significant, too, because it marks the annual official visit of "Dad" to the campus. In contrast with other years today is shorn of much of its formal aspect so far as "Dad" is concerned, but the whole campus is anxious to bid him welcome, to grant him another peep at the kaleidoscopic University, to help him to see that we are grateful for his abiding interest in us both as the father of a son or daughter in school or as a citizen.

Four times have Chicago and Ohio State met on the gridiron. Each team has won two games so that in a sense today's contest is a rubber affair.

Several other groups also are taking in today's game and the University is glad to welcome them also. For one, there is a group of alumni who have come back for an "All Ohio Conference" concerning the needs of the University. Business men who have been in attendance at the two-day campus session of "Management Week" are also present. Finally, the reserve army officers who have been meeting in Columbus in the last few days, are occupying a block of seats.

The University is always open for inspection. After all is said and done it is a public institution and belongs to the whole commonwealth and not merely to those of us who happen to be here at this time.

"A-B-C-stuff"

In college a fellow is handed a mass of facts—some of them simple and fundamental, others complex, intricate and hard to remember. *Get your fundamentals fixed.*

For instance, it is easy to grasp once and for all time the fundamental of good paving—*THE "ABC" PAVEMENT*—

ASPHALT for *Filler* because it makes the traffic-bearing surface a water-proof, flexible armor not subject to the cracks which follow rigid slab construction, and because repair costs are insignificant where each brick is an easily removable unit.

BRICK for *Surface* because it furnishes the best surface for for traffic; *hard*, but not brittle—*tough*, but not rough—*dense*, and non-absorbent—*smooth*, but not "slick;" because its fire-hardened toughness resists wear and tear so sturdily that upkeep expense is squeezed to a minimum and because any margin of higher first-cost is speedily offset by low maintenance, long life and uninterrupted service.

CONCRETE, CRUSHED ROCK, CRUSHED SLAG OR GRAVEL for *Base* because some one of these bases meets any conceivable sub-soil condition, and with a bedding course of sand or screenings makes the best sub-structure yet developed for modern street or highway traffic.

COMMON PENALTIES

Loss of Five Yards

1. Violation of the off-side rule, which includes:

(a) Lineman or backs illegally in motion when the ball is snapped.

(b) Any player of the kicking side ahead of the ball when it is kicked at the kick-off.

(c) Attempts to draw opponents into charging before the ball is snapped.

2. Unreasonable delay by a team, usually evidenced by calling signals several times before the ball is snapped.

3. Running into the kicker after he has kicked the ball.

4. Failure of substitute to report to referee when entering the game.

5. Unfair play not specifically covered in the rules.

6. Time called more than four times during a half at the request of the captain of a team.

Loss of Fifteen Yards

1. Substitute communicating with players before the ball is put in play.

2. Interference with a man who has signaled for a fair catch.

3. Throwing player to the ground after he has made a fair catch.

4. Offensive player pushing or pulling the man carrying the ball.

5. Offensive player holding a defensive player.

6. Players of the side making a forward pass interfering with defensive players after the ball is passed.

7. Deliberately roughing the kicker after he has kicked the ball.

8. Piling up on players who are down.

9. Tackling a man after he has run out of bounds.

10. Clipping.

11. Offensive player tripping an opponent.

12. Side-line coaching.

13. Intentional throwing of forward pass to the ground.

Loss of Half Distance to the Goal Line

1. Return of the player to the game who has previously been in that same half.

2. Disqualification of a player for rough play.

3. Any foul occurring inside the opponent's one-yard line.

Loss of a Down

1. Illegal or incomplete forward pass.

2. Forward pass striking the ground.

3. Forward pass touched by two eligible players of the passing side.

4. Forward pass going out of bounds on the fly.

Loss of Ball

1. Ball kicked out of bounds unless touched in the field of play.

2. Illegal use of hands or arms to prevent an opponent from securing loose ball.

3. Forward pass touched by ineligible player of the passer's side.

4. Interference by defensive side under a forward pass.

5. Failure to advance the ball ten yards in four downs.

6. Kicking or kicking at a loose ball.

7. Player on the kicking side who is ahead of the ball when it is kicked and touches the ball before it touches an opponent.

Forfeiture of Game

Refusal to abide by referee's decision or to play within two minutes after being ordered to do so by the referee.

Important Note Regarding Time Out

This is automatically taken out during a try-for-point after touch-down; after a safety or a touch-back; after a fair catch has been made; after an incomplete forward pass; during enforcement of all penalties; when the ball goes out of bounds; or when for any reason play is suspended by the referee. Time shall not begin again, after any of the aforesaid, until the ball is actually passed back from center.

Own Your Own Home

\$500.00 CASH PAYMENT

Nowhere else in Columbus can you choose a home of your own for only \$500 cash payment. True, that once in a while such terms are offered as a special inducement to "shake a lemon." But, you can choose from any and many that we have under construction and pay as low as \$500 cash.

The balance is paid in monthly installments of 1% per month. A house priced at \$6000, less \$500 cash, would leave \$5500, which pays only \$55 per month until paid out.

We have the best houses at all times to sell from \$5000 to \$7000 on easiest terms.

We build North, East, South and West at different seasons of the year.

The materials used in all our homes are the best obtainable in every way from cellar to roof. We will gladly furnish rigid specifications covering all material used in Bryan Built Homes.

We have the choice of all labor, skilled and unskilled, to build our homes as we build all year through, and our organization is a permanent and veteran one.

If you are interested in owning your home, we would be pleased to talk the matter over with you.

THINK THAT OVER!

Changes in Football Rules for 1924

Most of the changes in the football rules this year deal with minor details of phrasing. An attempt has been made to explain clearly a number of points upon which coaches and officials have been in dispute. Since the revised wording follows closely the interpretation that has been given by most good officials, it is unnecessary to give space to them here but to confine this article to changes of real importance.

ABOLITION OF ARTIFICIAL TEES AND CHANGE IN KICKOFF

All kickoffs this year will be made from the center of the field instead the kicking team's forty yard line as heretofore. All artificial tees, including scraping up of earth, have been abolished on the kickoff, all place kicks, and free kicks.

SHIFT PLAYS

This year's rule provides that on all shift plays, players must come to an absolute stop and remain stationary in their new positions sufficiently long to prevent any doubt in the minds of the officials regarding the legality of the play. In case of doubt, the play is to be ruled illegal and a five-yard penalty inflicted.

CHANGE IN POSITION OF BALL IN TRY FOR POINT

After a touchdown when a team attempts a try for point, the ball may now be placed on the three-yard line instead of the five-yard line as heretofore.

THE "SCREEN" FORWARD PASS

Under the forward pass rule this year, players on the team making the pass who are ineligible to receive the same must keep out of the way, after crossing the line of scrimmage, of defensive players who have an opportunity to intercept the pass. This is aimed to prevent the "screening" of the man about to receive a pass by guards, tackles, etc., getting in the way of defensive players who are trying to reach the ball.

DECLINING FORWARD PASS PENALTIES

Further additions have been made to the rights of the defensive team in declining forward pass penalties so that it is practically necessary for the ball to touch the ground before a team can not decline the penalty for infraction of the forward passing rule. The committee has also increased the penalty for intentional grounding of forward pass from ten to fifteen yards.

ON-SIDE KICK

On-side kicks have been more definitely legislated again by saying that if a kicked ball crosses the scrimmage line, no one of the kicker's side can touch or recover the ball without penalty until it has touched an opponent, but any man may recover a kicked ball which has not crossed the line of scrimmage.

SUBSTITUTIONS

In order to speed up the game, the referee may now arbitrarily order the watch to be kept running, when in his opinion the number of substitutions, at any given time, is so great as to become a nuisance. Formerly, whenever any substitute went in, time automatically stopped. The captain of a team may now also ask for time out without penalty four times during each half, but each additional request for time out will be penalized by a distance of five yards instead of two yards as heretofore.

WHISTLE AND PISTOL

The rules committee has officially decreed that no one but the referee may use a whistle whereas formerly it was merely recommended. Other officials must use a horn or some other means of signaling so that there is no chance of confusion in the minds of the players. The rules committee has also recommended that the time keeper shall shoot off a pistol to notify the referee of the expiration of time.

UNSPORTSMANLIKE CONDUCT

Officials have been given the added power to penalize a team for the unsportsmanlike conduct of "anyone connected with the team" as well as players to which it has been limited heretofore.

CARMEN OHIO

Words and Music by
Fred Cornell, ex-'06

(Hats off, standing)
O, come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will truly show
How firm thy friendship—Ohio.

These jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho, age may dim our mem'ry's store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren shoal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio.)

THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit

In old Ohio there's a team,
That's known thruout the land;
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio Field will hear again
The Buckeye Battle Cry.

Drive! Drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to victory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For Ohio.

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field,
Show them Ohio's here,
Set the earth reverberating with a
mighty cheer.

Hit them hard and see how they fall;
Never let that team get the ball
Hail! Hail! the gang's all here,
So let's beat that Wesleyan now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!
for Ohio!

THE CHANT

Ohi, Buckeye,
O-HI-O!

O—Ra—Rah Rah,
O—Ra—Rah Rah,
Young!
Tee Young,
Rah Rah Rah!

O—Ohio, Ohio,
The Hills send back the cry,
We're here to do or die
For Ohio Ohio
We'll win the game or know the reason why!
And when we've won the game, ' tell you
what we'll do,
We'll yell for old Ohio
'till we wobble in our shoes.
Repeat first 5 lines.

CHICAGO

PLUNGE, PLUNGE

Plunge, plunge on through the line
And fight for old Chicago's fame,
Smash into every play;
Chicago's grit will win this game.
As we roll up the score,
The cheers resound from high and low.
Tear through the line again and go,
Chicago! Go! Go! Go!

"C" STANDS FOR CHERISHED COURAGE

Chorus—
C stands for cherished courage,
H for her honor high,
I for her iron-bound interest,
C for her college cry, CHI-CA-GO,
A for her aim so ardent,
G for her gallantry,
O stands for the "Old Man," the best coach
in this land, the big "C" for victory.

A GRAND OLD STAGG

He's a grand old Stagg,
Though we don't like to brag,
And his worth we will prove to you soon;
He's the idol of the team we love,
That fights for the dear old Maroon.

(RAH! RAH!)

We'll stick by him, though we lose or we win,
And our faith in him can't lag;
Though other coaches may be good,
Take your hat off to "Old Man Stagg."

WAVE THE FLAG

Gordon Erickson, '10

Wave the flag of old Chicago,
Maroon the Color grand.
Ever shall our teams be victors,
Known throughout the land,
With the grand old man to lead them,
Without a peer they'll stand;
Wave again the dear old banner,
For they're heroes, every man.

(Repeat.)

HELLO! BELLO!

Hello! Bello! Go Chicago, Go!
Hello! Bello! Down with ev'ry foe!
Fight like men today, boys; never give in;
For Chicago we know that you can win.
Hello! Bello! Wearers of the C,
Hello! Bello! On to victory!
From the crowded bleachers
Hear our mighty yell,
As we cheer for 'Varsity!

—Blackfriars, 1910

FOR CHICAGO ALMA MATER

D. R. Richberg, '01

For Chicago Alma Mater,
And the honor of her name,
Her sons shall raise, with loyal praise,
The glory of her fame
For Chicago Alma Mater,
Just as long as her life shall run.
Hearts once in tune beneath the old Maroon
Forever, she has won.

(Repeat.)

C. C. CRABBE
 REPUBLICAN CANDIDATE FOR
 ATTORNEY GENERAL
 (Second Term)

Attorney General Crabbe has stood loyally by O. S. U. As a member of the General Assembly he sponsored the one-eighth mill levy to carry out our building program.

When the present Governor vetoed the \$200,000 appropriation to the university, General Crabbe was appealed to and he aided in restoring this appropriation.

When an effort was made to close the Co-op store, again Attorney General Crabbe came to our rescue.

O. S. U. believes in loyalty. May she remember the services of Attorney General Crabbe on November 4.

VIBRATION

READ WHAT THESE
FAMOUS MEN SAY
ABOUT THE NEW
WILLYS-KNIGHT

GLENN CURTISS—"It is sur-
prising. I drove the car at all
speeds up to 50 miles an hour and
found absolutely no engine vibra-
tion."

HIRAM PERCY MAXIM—
"The Lanchester Balancer certainly
takes out the vibration. It makes
the motor smoother than most of
the six and eight cylinders on the
road today."

MAURICE OLLEY, Production
Engineer of Rolls-Royce of America,
Inc.—"From the demonstration
there is no doubt that the elimina-
tion of the inherent harmonic vibra-
tion, by means of the rotating
balancer, has been attained in
practice to a degree which is very
satisfactory to the passenger."

W. E. BEST, Works Manager
of the Remington Cash Register
Co.—"The smoothness of the motor
was a revelation to me. The
driver increased the speed from 15
miles an hour to approximately
45 miles, and as far as I could
detect, with no vibration, and it
would seem that the balancer is
doing the trick and gives six-
cylinder operation as far as smooth-
ness is concerned."

ADDDED to the many recognized excellencies of
Willys-Knight came the Lanchester Balancer, a
British invention, that said good-bye to vibration.
Its effectiveness has astonished car owners and automotive
engineers alike. At all speeds—velvety smoothness.

Willys-Knight long ago said good-bye to carbon trouble
and valve grinding. It made steering as easy as turning
the head. It coupled appearance, power, performance and
the motor that improves with use in one.

NOW—another triumph.

*The new Willys-Knight with the Lanchester Balancer is ready at our
show rooms for inspection and demonstration. Drive it at all speeds.
See its superiority.*

Amos Alonzo Stagg

Amos Alonzo Stagg,* the veteran athletic director at the University of Chicago, after 32 years of notable service, is easily the dean of leaders in intercollegiate athletics in the Middle West if not in the country.

Mr. Stagg's record as an athlete at Yale is equally as notable as his record at Chicago where he has been since 1892. He is still talked of as probably the best baseball pitcher in Yale's history. He was also a famous football player. He has been a tremendous power for good in the Western Conference.

Because of having the newer vision in physical education as well as in intercollegiate athletics, Mr. Stagg has achieved an enviable position in American athletics. Since 1904 he has been a member of the football rules committee. Since 1906 he has been a member of the American committee on the Olympic Games. In 1911 and 1912 he was president of the Society of Directors of Physical Education in Colleges.

Year in and year out his football and track teams have been among the best in the Western Conference and that without any blare of trumpets which so often accompanies continued success.

The "Grand Old Man" of the Big Ten, Mr. Stagg, despite his more than three score years, keeps young in spirit and in vision. Ohio State knows him for a keen competitor and a generous foe.

*Eds. Note—The fine crayon likeness of Mr. Stagg which appears on the cover of this program is the work of Mr. Fred Kerher, one of the staff artists of the Ohio State Journal.

"SERVICE THAT SATISFIES"

STADIUM FACTS

Permanent seats 63,068. Temporary capacity 72,000.

Construction cost \$1,548,000. Financed chiefly by gifts aggregating \$1,083,000 pledged by 13,000 people.

Seats in lower deck 41,000. Seats in upper deck 21,000. Box seats 3,100. Closest seats are 72 feet from the sidelines, farthest seats 231 feet.

Circumference from end to end, one-third mile. Ground area 10 acres.

Height of wall 98 feet, 3 inches.

Length 754 feet, width 597 feet.

Material: concrete and steel.

Twelve ramps feed 112 aisles.

Tickets may be taken from one to 81 entrances.

Seven hundred ushers are required to handle a capacity crowd.

Advantages of the Ohio Plan:

- (1) The upper deck brings rear seats closer to the playing field.
- (2) The open end improves ventilation.
- (3) The curved sides equalize seat values and are a factor in crowd psychology.

Architectural Features:

- (1) Eighty-seven concrete and steel arches, each 13 feet wide and 56 feet high.
- (2) Towers at the open end and main entrance, each 109 feet high and 36 feet square.
- (3) A half dome 86½ feet high and 70 feet in diameter.

Permanent Seats in Other Stadia

Yale 61,000. Princeton 41,500. Harvard 38,000. Michigan 36,500

College Football as an Industry

College Football is correctly classified as the purest of sports. Yet so enormous is the interest it creates, that one has only to regard some of the incidental effects produced by it, to realize that it constitutes a true industry as well.

Take the program in which this is printed:—

Not every spectator at a football game desires a program; yet to satisfy the crowds at Ohio State's six home games this year, 100,000 programs will be required.

Into the making of those programs will go 113,400 sheets of paper, each 32" x 44" in size. The weight of this paper will total 18,000 lbs. or nine tons.

The total area of the paper involved is 1,108,800 sq. ft., or a little less than 26 acres. This would be sufficient to roof over from wall to wall, two structures the size of the Stadium and leave a generous excess to carpet the infields with.

Laid end to end, the paper sheets would extend nearly 79 miles. Or, laid in a double row, they would pave an automobile track 39-1/2 miles long.

To print these sheets and place three colors on the covers, will require 455,000 press impressions. The press cylinders will have an approximate travel of over 1000 miles in producing these impressions.

Over 3-1/2 miles of wire will be consumed in the seemingly insignificant bindery stitches.

Here is indeed a romance of industry—the labor of many men, loggers, paper makers, process engravers, compositors, printers and binders—called into activity by but a single phase of the interest in college football.

And because of the news nature of these programs, an average of only five days is allowed for the printing and binding of each one.

For printing and binding the Ohio State football programs this year, those in charge have turned to

The Big Six DUPLEX-PHAETON

—there is no other seven-passenger car like this!

THE NEW DUPLEX-PHAETON, was first introduced by Studebaker, September fourteenth. It is the sensation of the industry.

It has solved the closed-open car problem.

With the over-lapping side enclosures in place it has the comfort and protection of the closed car. The cushions are deep, wide and soft; the interior finish and fittings suggest the closed car in richness and elegance. It has the riding comfort of the sedan.

With a touch of the hand you roll the side enclosures into the steel-framed roof—and you have the vision and freedom

of the open car—yet it gives you comfort, elegance and easy-riding luxury that no open car can ever give you!

The price is the same as the open car.

The seven-passenger DUPLEX-PHAETON mounted on the new Big Six chassis is the car unique—there is no other like it.

Always famous among seven-passenger cars, the NEW BIG SIX with its improvements and betterments, takes its place definitely among the finest six-cylinder cars made in this country.

In beautiful lines, high-grade appointments, impressive appearance there are few cars that can equal it at any price.

It is one of the very few cars specially designed and powered for seven-passenger service—the engine develops over 75 horsepower.

In operation and maintenance it is notably economical.

In material, workmanship and limits of precision it is unsurpassed. In essential fineness and quality no car can give you more real value—it is a masterpiece of one of the most modern and complete factories in the entire automobile industry.

As such, it is a leader in every sense of the word. See it with this thought in mind—and see the new DUPLEX BODY!
